

# It's Pony Club!

The United States Pony Clubs, Inc.

## 10 Facts You Should Know about Pony Club:

Now is an exciting time to join Pony Club. Clubs hold rallies, clinics and camps during the summer, which offer many opportunities for you to learn new riding skills, how to care for a horse, and a chance to make new friends and have a lot of fun!

1 Pony Club is an international youth educational organization for those interested in horses and riding. It's the largest organization of riders in the world!

2 The United States Pony Clubs, Inc. (USPC) has over 600 clubs around the country as well as a number of USPC Riding Centers.

3 Pony Club encourages young people - through age 25 - to ride and learn to enjoy all kinds of sports connected with horses and riding.

4 USPC aims to provide instruction in riding and Horse Management and to instill in members the proper care of their animals.

5 New Pony Club membership is open to boys and girls under 21 years of age.

6 Pony Club promotes the highest ideals of sportsmanship, citizenship and loyalty.

7 Clubs and Centers hold regular activities for their members, including lessons, clinics, rallies and other fun activities.

8 You'll meet lots of young people who share your love of horses.

9 Members of USPC are covered by liability and medical insurance.

10 Many of our most famous riders in Dressage, Show Jumper and Eventing started to learn their skills as members of USPC. And they all had fun in Pony Club!
